The budget shall be approved by the Board of Directors and recorded in the minutes of the Board of Directors. The first year's budget shall be submitted with the original license application.

C. Each CPA must have a double entry accounting system and all financial transactions must be posted to this system. Financial statements, prepared from information provided by this system, shall be presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP). Books and records of the CPA shall be subject, at any time the CPA office is open, to inspection, audit or copying by appropriate Federal, State or county personnel, or such independent auditors or accountants as may be designated by these personnel.

4. CPAs that are a subsidiary of a parent organization must submit separate audited financial statements for the subsidiary that detail each of the CPA's facilities or programs that provide services for the State or county department.

1. A Child Placement Agency expenditure shall be considered allowable if it meets all of the following criteria:

b. Ordinary and Necessary

The expenditure is of a type generally recognized as ordinary and necessary for the operation of a CPA or the performance of a contract for CPA services.

c. Prudent

d. Documented

A CPA has the responsibility to ensure that proper documentation procedures are followed for the funds that they control, and to ensure that only authorized expenditures are made. Lack of appropriate documentation will be considered cause for non-payment or non-reimbursement of expenditures. Expenditures must be adequately documented in writing. Documentation requirements shall include all of the following information:

- 1) Descriptive verification that the expenditure was for a business purpose directly related to the foster care or adoption program.
- 2) Date of event for which the funds were used.
- 3) Names of persons attending when an expenditure has the "appearance of personal benefit" .
- 4) Location of event or place where funds were spent.

e. Made in Accordance with GAAP

An expenditure must be recorded in accordance with Generally Accepted Accounting Principles (GAAP).

2. Generally Allowable Expenditures

The following list of expenditures shall be a general list of expenditures that would be permissible for CPAs to incur in order to further the goals and objectives of their agencies. This list includes, but is not limited to, the categories described below, and shall be used as a reference for guiding the expenditure of CPA funds.

When a specific expenditure is not listed, yet management deems it to be in the best interests of the CPA to make the expenditure of the funds, then the criteria above for an allowable expenditure shall be followed. The CPA shall document the purpose of the expenditure, as listed at 7.710.21, E, 1, d, so that a

“reasonable person” test can be made in the event the expenditure is audited. Each CPA shall allocate expenditures in accordance with its internal policies.

- a. Salaries and wages, and related benefits, employment taxes, unemployment taxes, worker's compensation taxes, retirement benefits, and insurance benefits.
- b. Retention and recruitment of staff, contractors, foster care parents, and volunteers, including advertising, background checks and other evaluations, recruiting, relocation, recognition, and food bank administrative expenses.

G. Remedies

Remedy for unallowable expenditures may include any or all of the following solutions:

2. Reclassification of the accounting entry to record the expenditure correctly, if the transaction can be appropriately reallocated to another cost center of the CPA, or affiliated agency, parent company, etc.
3. “Adverse licensing action” which could result in the denial, suspension, or revocation of a license issued, pursuant to the Child Care Licensing Act or the demotion of such a license to a probationary license.
4. Any other appropriate remedy based upon the facts and circumstances of the unallowable expenditure.

H. Intentional Mis-Use of Funds

Intentional mis-use of funds implies that the individual(s) making the expenditure decision had deliberate, willful, and intentional disregard for the fiduciary responsibility for how public funds are to be used for purposes of placing children in foster care or adoptive homes, or arranging for the placement of children in foster care or adoptive homes, considering their responsibilities to the CPA, its employees, clients, foster families, foster children, the public at large, the State Department’s and the CPA’S responsibilities pursuant to the contract for services.

These rules do not preclude the State or county department(s) from pursuing other remedies available at law; for example:

1. Referral for prosecution; or,
2. Referral to the Internal Revenue Service for issues that violate Internal Revenue codes; or,
3. Repayment to the State and/or counties of identified unallowable expenditures; or,
