N.J.A.C. 10:126A-1.1

10:126A-1.1 Purpose and scope

The purpose of this chapter is to outline the standards under which the Division of Youth and Family Services will authorize family child care services for a child receiving child welfare services, either directly or under a contract with a family child care provider. This chapter requires that any Division-authorized family child care services purchased by the Department of Human Services or its agents be provided by a family child care provider who meets the standards of and is registered in accordance with N.J.A.C. 10:126, Manual of Requirements for Family Child Care Registration. The standards set by this chapter are more stringent than those set by N.J.A.C. 10:126 for registered family child care providers in general because family child care is often utilized by the Division to relieve the effects of and prevent abuse or neglect or to provide supervision or relief needed by a child's family.

N.J.A.C. 10:126A-1.2

10:126A-1.2 Definitions

The words and terms used in this chapter shall have the same meanings as defined in N.J.A.C. 10:126-1.2, Definitions, which is hereby incorporated into this chapter by reference.

10:126A-2.2 Maximum number of children

For any family child care provider who receives payment from the Department of Human Services or its agents, either directly or through contract, for family child care services for one or more children, as authorized by the Division, the maximum number of children cared for by the family child care provider shall not exceed five children at a time, regardless of fee-paying or non-fee-paying status. The total of five children shall include the provider's foster children and own children, only if the foster children or own children are age five or younger. No more than two of the total number of children cared for by the family child care provider shall be age 23 months or younger.
