OAC 5101:2-13-02

5101:2-13-02 Types of licensed type A homes

(A) “Type A home”, as defined in Chapter 5104. of the Revised Code, means a permanent residence of the administrator in which child care is provided for seven to twelve children at one time, including any children under six years of age who are related to a licensee, administrator, or employee of the type A home and who are on the premises of the type A home; or for four to twelve children at one time if four or more children at one time are under two years of age, including any children under six years of age who are related to a licensee, administrator, or employee of the type A home and who are on the premises of the type A home.

(B) “Drop-in type A home”, as defined in Chapter 5101. of the Revised Code, means a home that provides child care for children on a temporary, irregular basis. “Temporary and irregular” means no more than thirty days a year for any child. Drop-in type A homes shall comply with all rules in Chapter 5101:2-13 of the Administrative Code except:

(1) In reference to rule 5101:2-13-31 of the Administrative Code, the drop-in type A home shall not administer

Rules are complete and appendices are current through April 30, 2014
(2) In reference to rule 5101:2-13-42 of the Administrative Code, the drop-in type A home shall be required to provide each infant with a separate crib. The crib shall meet the size, construction and safety requirements specified in rule 5101:2-13-42 of the Administrative Code.

(3) In reference to rule 5101:2-13-37 of the Administrative Code, the drop-in type A home shall not be required to obtain verification of a medical examination or immunization record for each child.

(4) In reference to rule 5101:2-13-37 of the Administrative Code, the drop-in type A home shall not be required to maintain on file at the home for at least one year, health and enrollment records for each child.

(C) “Part-time type A home”, as defined in Chapter 5104. of the Revised Code, means a type A home that provides child care for no more than four hours per day for any child. Part-time type A homes shall comply with all rules in Chapter 5101:2-13 of the Administrative Code except:

In reference to rule 5101:2-13-14 of the Administrative Code only the part-time type A home which includes outdoor play as part of their scheduled daily program shall be required to comply with all stipulations of this rule.

(D) “School child type A home”, as defined in Chapter 5104. of the Revised Code, means a type A home that provides child care for school children only and operates only during that part of the day immediately before or after the public school day of the school district, and/or when the public schools in the district are not open for instruction. School child type A homes shall comply with all rules in Chapter 5101:2-13 of the Administrative Code except:

(1) In reference to rule 5101:2-13-37 of the Administrative Code the school child type A home shall obtain health and enrollment records for each child, except immunization records.

(2) In reference to rule 5101:2-13-37 of the Administrative Code the school child type A home shall not be required to obtain verification of a medical examination for each child.
(A) “License capacity” is the maximum number of children, who may be cared for in a type A home at any one time. License capacity is not the same as the total number of children enrolled. Children away from the home on a field trip or a special outing, and under the supervision of a child care staff member, shall be included in the count for license capacity.

(B) The type A home may not exceed a total of twelve children in attendance at any one time. In addition, all of the following requirements apply:

1. Occupancy limitations set by the building or fire departments or other applicable agencies shall not be exceeded.

2. Space shall be available for the maximum number of children present in the home at one time, as required by rule 5101:2-13-13 of the Administrative Code.

3. Compliance with staff/child ratios as required by rule 5101:2-13-20 of the Administrative Code shall be verified.

4. The type A home shall provide the department with the work schedule and verification of compliance with rules 5101:2-13-25 and 5101:2-13-26 of the Administrative Code for each person who is employed by the type A home as a child care staff member.

5. The department shall verify that all equipment, beds, couches, cots, mats, pads and cribs are in compliance with the rules of Chapter 5101:2-13 of the Administrative Code.

5101:2-13-04 Application and issuance of a provisional license for type A homes

(A) A person desiring to operate a type A home shall complete all of the following for a provisional license:

Rules are complete and appendices are current through April 30, 2014
(1) Participate in all trainings relating to opening a child care program as determined by the Ohio department of job and family services (ODJFS).

(2) Participate in an application interview with ODJFS.

(3) Submit a completed JFS 01335 “Type A Home Plan of Operation” (rev. 9/2011). The JFS 01335 shall serve as the applicant’s written plan of intended compliance with Chapter 5104. of the Revised Code and Chapter 5101:2-13 of the Administrative Code.

(4) Complete and submit the JFS 01210 “Application for Child Care License or Amendment” (rev. 9/2011) with the fee of two hundred fifty dollars to ODJFS.

   (a) The application fee submitted with an application is nonrefundable and shall not be credited or transferred to any other application. An application fee submitted without a JFS 01210 shall be forfeited.

   (b) The application is considered filed with ODJFS as of the date it is postmarked or received electronically. If the fee is not submitted with the application or if the fee is submitted by check and returned for nonpayment or if it is written for the wrong amount, the application is not a valid application and will not be filed.

      (i) The application will be deleted from the system after one year if the fee payment is not received.

      (ii) The application will be considered filed with ODJFS as of the date the application with valid fee payment is received.

   (c) Any application submitted without complete and accurate information will need to be amended with complete and accurate information before being licensed.

(5) Complete criminal records checks for owners, prospective administrators and all residents of the home who are eighteen years of age and older.

(6) Allow ODJFS to inspect the home to determine compliance with Chapter 5104. of the Revised Code and Chapter 5101:2-13 of the Administrative Code.

(B) A home that is certified as a foster home or a specialized foster home pursuant to Chapter 5103. of the Revised Code shall not be licensed as a type A home.

(C) A home that is certified as a type B home pursuant to Chapter 5104. of the Revised Code shall not be licensed as a type A home.

(D) ODJFS shall not license a type A home if the applicant has previously been certified as a type B child care home and the county department of job and family services (CDJFS) revoked the certification due to the applicant not complying or refusing to comply with criteria for certification resulting in a risk to the health or safety of children.

(E) An initial application is valid for one calendar year from the date it is filed with the ODJFS. If an application is determined to be invalid, a new initial application and fee shall be submitted. If during the application process, ODJFS determines that the license of the owner has been revoked within five calendar years preceding the date of the application, the application process shall cease. This action shall not constitute denial of the application.

(F) A type A home shall submit an initial application and fee in the following circumstances:

1) Change in ownership, defined as a sale of the child care program in its entirety or a transfer of control and administration by the owner(s) of a child care program to a new controlling entity.

2) Following legal action resulting in denial or revocation of a type A home’s previous application or license.

(G) If ODJFS determines that a type A home is not in compliance with the requirements of Chapter 5104. of the Revised Code and/or Chapter 5101:2-13 of the Administrative Code, ODJFS shall send a written inspection report indicating the noncompliance findings. The administrator shall correct all violations and submit to ODJFS the
(H) After ODJFS has completed all necessary inspections for an initial license and has determined that the type A home has complied with all requirements, a provisional license shall be approved and issued. The provisional license is valid for twelve calendar months from the date of approval. During the twelve month provisional license period the type A home shall comply with the requirements of Chapter 5101:2-13 of the Administrative Code.

(d) Type A homes which are designated as school child homes, which operate only the hours before and after the regular school day.

(B) If by the expiration date of the provisional license the type A home is in compliance with all the following requirements, the provisional license shall be amended to a regular license. The type A home shall:

(1) Be in compliance with Chapter 5101:2-13 of the Administrative Code.

(2) Have children enrolled and attending the home.

(3) Have a qualified administrator named and responsible for the day to day operation of the program.

(C) The Ohio department of job and family services (ODJFS) may propose revocation of a provisional license at any time during the provisional period for any of the following reasons.

(1) The type A home has furnished or made misleading or false statement of reports to ODJFS.

(2) The type A home has refused to allow ODJFS staff access onto its premises.

(D) If the type A home is not in compliance with all requirements of this rule by the expiration date of the provisional license, the license shall not be amended to a regular license. ODJFS may either recommend revocation of the provisional license according to the provisions of Chapter 5104. of the Revised Code and rules in Chapter 5101: 2-13 of the Administrative Code or allow the type A home a maximum of thirty additional days to demonstrate compliance with the requirements.

(E) Type A homes which obtain a provisional license prior to the effective date of this rule shall:

5101:2-13-05 License amendments for licensed type A homes

(A) A license is valid only for the owner, administrator and address designated on the license.

1. If the type A home proposes a change to the administrator or type A home name, the owner or administrator of the type A home shall complete and submit the JFS 01210 “Application for Child Care License or Amendment” (rev. 9/2011) to the Ohio department of job and family services (ODJFS) within five business days to request an amended license. There is no fee for an amended license in this circumstance nor is a new license number assigned or provisional period required.

2. If a type A home proposes a change to its owner, the type A home shall forward written notice of the proposed change to ODJFS. All requirements of the initial application process, as specified in rule 5101:2-13-04 of the Administrative Code shall be met, including completion of the JFS 01210, payment of an initial application fee, issuance of a new license number, and completion of a provisional license period, as specified in rule 5101:2-13-04.1 of the Administrative Code.

3. If the type A home proposes a change of address, the owner or administrator of the type A home shall complete and submit the JFS 01210 and submit the fee of one hundred twenty-five dollars to ODJFS a minimum of thirty days before the proposed move.

Rules are complete and appendices are current through April 30, 2014
(a) A new license number will be issued but a provisional period is not required if the original site was operating under a regular license.

(b) The type A home shall also comply with the following requirements before the license is issued:

(i) Rule 5101:2-13-10 of the Administrative Code.

(iv) Complied with an inspection completed at the new location by ODJFS staff. Submit all required compliance material in a timely manner. The inspection shall include the determination of license capacity for the new location as outlined in rule 5101: 2-13-03 of the Administrative Code.

(c) Child care operations at the original home location shall cease at the time the license is issued for the new address.

(1) If the administrator or designee of a licensed type A home disagrees with any of the findings and an informal discussion with the licensing specialist does not provide a resolution of issues, the administrator or designee may submit a written request for review of findings. This request must be submitted within seven business days of receipt of the finding to the appropriate licensing supervisor. The licensing supervisor shall review the findings and may meet with the administrator or designee. The licensing supervisor shall prepare a written decision of the review.

(2) If the administrator or designee of a licensed type A home disagrees with the decision of the licensing supervisor, the administrator or designee may submit a written request for review of findings to the chief of the licensing section, within seven business days of receipt of the decision of the licensing supervisor. The chief of the licensing section shall review the findings, the materials and the decision of the supervisor, and may meet with any or all parties. The chief of the licensing section shall prepare a written decision of the review. The decision of the chief of the licensing section shall be final and does not entitle the type A home to any hearing rights under Chapter 119. of the Revised Code, unless the department initiates action to deny or revoke the license.

(G) ODJFS may hold hearings, issue subpoenas, compel testimony, and make adjudications as required by Chapter 119. of the Revised Code and Chapter 5101:2-13 of the Administrative Code.

(H) Upon receiving a complaint or otherwise being advised that the type A home is providing child care without a license, the department shall investigate and inspect all areas of the home.

(I) Upon determining that a type A home is operating without a license, the department shall notify the attorney general, the prosecuting attorney of the county in which the home is located, or the city attorney, village solicitor, or other chief legal officer of the municipal corporation in which the home is located, that the type A home is operating without a license. Upon receipt of this notification, the attorney general, prosecuting attorney, city attorney, village solicitor, or other chief legal officer of a municipal corporation shall file a complaint in the court of common pleas of the county in which the home is located, requesting that the court grant an order enjoining the owner from operating such type A home in violation of section 5104.02 of the Revised Code.

(J) The department may petition for injunctive relief against type A homes in the following instances:

(1) When a type A home is operating and has not applied for a license.

(2) When a type A home has applied for a license, but is operating without a license issued by the department.

(A) The department shall investigate and may inspect any licensed type A home upon receipt of any complaint that the home is out of compliance with the requirements of Chapter 5104 of the Revised Code or Chapter 5101:2-13 of the Administrative Code.

(B) The investigation may also include any number of contacts with persons such as, but not limited to:

1. Building inspectors, fire department inspectors, public health officials or other state and local officials.

2. Neighbors.

4. Staff of the public children services agency (PCSAs).

5. Persons mentioned by the complainant.

6. Health agency or law enforcement personnel.

7. Current and past type A home employees.
(8) Other witnesses.

(C) The department shall complete the JFS 01295 “Complaint/Disposition Report” (rev. 01/2007) for each complaint at the conclusion of the investigation. This report shall outline all allegations, the results of the investigation, and the expectations for correction of any confirmed violations of the rule requirements. The reports shall be kept on file at the Ohio department of job and family services (ODJFS). A copy of the summary report of findings containing any substantiated or discovered noncompliance findings shall be provided to the administrator or licensee.

(D) The administrator or licensee may submit a written response to a complaint investigation to the department. The response shall be kept on file at ODJFS.

(E) The type A home owner, administrator, or designee shall use the following process to request a review of the complaint summary of findings:

1. If the administrator or designee of a licensed type A home disagrees with any of the findings and an informal discussion with the licensing specialist does not provide a resolution of issues, the administrator or designee may submit a written request for review of findings. This request must be submitted within seven business days from receipt of the summary report of findings to the appropriate licensing supervisor. The licensing supervisor shall review the findings and may meet with the administrator or designee. The licensing supervisor shall prepare a written decision of the review.

2. If the administrator or designee of a licensed type A home disagrees with the decision of the licensing supervisor, the administrator or designee may submit a written request for review of findings to the chief of the licensing section, within seven business days of receipt of the decision of the licensing supervisor. The chief of the licensing section shall review the findings, the review materials and decision of the supervisor, and may meet with any or all parties. 5101:2-13-09 Denial or revocation of a type A home application or license

(A) The department of job and family services (ODJFS) may deny an application or revoke a type A home license for any of the following reasons:

(1) A type A home has failed to comply with the requirements of Chapter 5104. of the Revised Code and Chapter 5101:2-13 of the Administrative Code.

(2) The owner or administrator has pleaded guilty to or been convicted of an offense described in division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section 5104.09 of the Revised Code and is not eligible for or has not met the standards of rehabilitation in rule 5101:2-13-26 of the Administrative Code.

(3) The type A home has furnished or made misleading or false statements or reports to ODJFS.

(4) A type A home refuses or fails to submit documents or information requested by ODJFS within the required time frames.

(5) The type A home has refused to allow ODJFS access onto its premises.

Rules are complete and appendices are current through April 30, 2014
(B) ODJFS may propose the following actions that afford the right to a prior adjudicatory hearing in accordance with the requirements of Chapter 119. of the Revised Code:

1. The proposal of ODJFS to deny an initial type A home license.

2. The proposal of ODJFS to revoke an existing type A home license, either provisional or regular.

3. The finding of jurisdiction in accordance with rule 5101:2-13-01 of the Administrative Code.

4. The issuance of a type A license by ODJFS with authorization for license capacity which does not agree with the authorization sought by the type A home.

5. The proposal of ODJFS to deny a regular type A home license at the expiration of the type A home’s provisional license.

(C) ODJFS may propose actions that are of a ministerial nature and are not subject to the right to an administrative hearing. This includes, rejection by ODJFS of any application for a license for procedural reasons such as, but not limited to, improper fee payment, incomplete submission of required materials or use of invalid forms.

(D) The surrender of a type A home license to ODJFS or the withdrawal of an application for a type A home license by the owner or administrator of the type A home shall not prohibit ODJFS from instituting any of the requirements of this rule.

(E) When ODJFS revokes a type A home license, ODJFS shall not issue a license to the owner of the type A home within five years from the date of the revocation of the license.

(7) Provides a shaded area as needed.

(8) Provides access to bathroom facilities and drinking water during play times.

(9) Provides for storage of accumulated trash, rubbish and garbage outside of the play area. A trash can with a lid is permitted in the play area if it is emptied daily and kept in a clean condition so as not to attract insects.

(D) A type A home that is approved to use an off site play space may use the play space regardless of change of ownership unless it is determined, upon inspection, that the play space or its accessibility is unsafe.

(E) Outdoor equipment, whether stationary or portable, shall be safe and designed to meet the developmental needs of all of the age groups of children using the space.

(1) Equipment, such as, but not limited to, climbing gyms, swings and slides shall meet all of the following requirements:

Rules are complete and appendices are current through April 30, 2014
(a) Be placed out of the path of the area’s main traffic pattern.

(b) Be anchored or stable, and have all parts in good working order and securely fastened.

(c) Have all climbing ropes anchored at both ends and not capable of looping back on themselves creating a loop with an interior perimeter of five inches or greater.

(d) Have all S hooks closed so that there is no gap greater than .04 inch or the thickness of a dime.

(e) Be free of rust, cracks, holes, splinters, sharp points or edges, chipped or peeling paint, protruding bolts, or tripping hazards.

(f) Have no completely bound openings that are greater than three and one half inches, but less than nine inches to avoid entrapment of the head or other body parts. Equipment shall be able to pass inspection using the head probe, torso probe and protrusion gauge as indicated in appendix B of the consumer product safety commission “Public Playground Safety Handbook” (Publication #325, revised April 2008 available at http://www.cpsc.gov/cpscpub/pubs/playpubs.html.

(g) Have protective barriers on platforms that are thirty inches high or over. A protective barrier means an enclosing device around an elevated platform that is intended to prevent both inadvertent and deliberate attempts to pass through the device.

(h) Be assembled and installed, according to manufacturers’ guidelines.

(2) Trampolines more than four feet in diameter shall not be permitted for use when children are in care.

(3) Except during the home’s daylight hours of operation, all sandboxes shall be covered with a lid or other
(F) Outdoor play equipment designated for climbing, or bouncing, and swings and slides, shall have a fall zone of protective resilient material on the ground under and around the equipment. The material shall be, but not limited to, washed pea gravel, mulch, sand, wood chips, synthetic material such as rubber mats or tiles manufactured for this purpose. This equipment shall not be placed over grass, concrete, asphalt, blacktop, dirt, rocks, or any hard surface. Synthetic surfaces shall follow manufacturers’ guidelines for depth.

(G) The type A home shall not use outdoor porches, above the first floor, as play areas unless the porches are fully enclosed and determined to be structurally sound by the local building department having jurisdiction.

5101:2-13-14 Appendix Depth of Protective, Resilient Surface Needed for Playground Equipment

(A) The type A home shall provide furniture, materials, equipment, and an environment which are safe.

(1) Fire arms and ammunition materials shall be kept in locked storage areas.

(2) The home shall maintain an indoor temperature which will not fall below sixty-five degrees Fahrenheit.

(3) If the type A home’s temperature exceeds eighty-five degrees, ventilation that produces air movement or air conditioning shall be provided.

(4) Equipment, materials, and furniture shall be sturdy and safe, easy to clean and maintain, and free of sharp points or corners, splinters, protruding nails, loose or rusty parts, paint which contains lead or other poisonous materials, or other hazardous features as determined by the director’s representative.
(5) Children in care shall be protected from any items and conditions which threaten their health, safety, and well being, including but not limited to: protecting children from stoves, bodies of water, window covering pull cords, telephone cords, electrical cords, extension cords, lead hazards, asbestos, wells, traffic, employees’ personal belongings; lawn mowers, tools and machinery and other environmental hazards. If area rugs are used, they shall have a non-skid backing. Floor surfaces shall be maintained to prevent injuries. Lawnmowers, tools, machinery and other equipment shall not be used or stored where children have access to them.

(6) Furniture, equipment and materials which are not usable due to breakage or hazards shall be removed immediately and stored away from children until repaired.

(7) Toys or other materials small enough to be swallowed shall be kept out of the reach of infants and toddlers.

(8) Cleaning and sanitizing equipment and supplies shall be stored in a space that is inaccessible to children. Cleaning agents, aerosol cans and all other chemical substances shall be stored in a designated area in their original containers and/or clearly labeled.

(9) Mercury thermometers shall not be permitted in the home.

(10) Renovations and remodeling to the home shall be conducted in a safe manner to ensure that lead poison hazards are not introduced into the environment as required by Chapter 3742. of the Revised Code.

(11) A pet or animal is permitted if it presents no apparent threat to the safety or health of the children. All pets shall be properly housed, cared for, and inoculated. Verification of inoculations, for each pet requiring such inoculations, shall be on file at the type A home for review by the department. Children shall not be directly exposed to animal urine or feces.

(12) Electrical outlets, including surge protectors, within the reach of children shall have child proof receptacle covers when not in use, except for homes which serve school children exclusively.

(13) The home’s air conditioners, heat pumps, electric fans, and heaters shall be mounted or placed out of the children’s reach or have safeguards which prevent children from being injured. All space heaters shall be
(14) Unless toilets and sinks are of suitable height for use by the children, the type A home shall provide a sturdy, non-slip platform on which the children may stand.

(15) All areas used by children shall be ventilated. All doors and windows shall be screened when used for ventilation, and shall be in good repair to prevent rodents, insects or other hazards from entering the home.

(16) Indoor swings (excluding infant swings), slides, climbers, and climbing apparatus shall not be placed over concrete, tile, or any similarly hard surface. There shall be shock absorbent protective covering under and around this equipment. If climbing equipment is over three feet high, landing mats at least one and one-half inches thick shall be used. The protective covering shall be used and placed according to the manufacturer’s guidelines.

(17) Any children’s equipment equipped with straps shall be used in accordance with manufacturers’ guidelines.

(18) Spray aerosols shall not be used when children are in attendance.

(19) In accordance with section 2923.1212 of the Revised Code, the type A home shall post a sign that contains a statement in substantially the following form:

“Unless otherwise authorized by law, pursuant to the Revised Code, no person shall knowingly possess, have under the person’s control, convey or attempt to convey a deadly weapon or dangerous ordnance on these premises.”

(B) The type A home shall provide a clean and healthy environment and furniture, materials, and equipment which are sanitary.

(1) Toilet tissue, liquid soap, running water, individually assigned towels or disposable toweling shall be provided in all bathrooms. Toilets shall be flushed after each use.

Rules are complete and appendices are current through April 30, 2014
(2) Equipment, furnishings, and materials shall be kept clean, sanitized and in good repair. The cleaning schedule contained in appendix A to this rule shall be followed in regards to cleaning and sanitizing equipment and facilities in the home.

(3) Trash, rubbish and garbage inside the home shall be contained in trash receptacles that are emptied daily.

(4) The home shall be cleaned daily and kept in a sanitary condition at all times.

(5) Running water shall be publicly supplied or supplied by a well that meets local zoning standards. Water that is not publicly supplied shall be sampled by the local health department and determined to be safe by an approved laboratory prior to the approval of initial licensure and at least annually thereafter. A copy of the test result shall be maintained on file at the home for review by the department.

(6) Individual servings or individual packages of food or drink that have been served to a child shall be discarded or sent home with the child if not consumed during meal or snack time. Food or drink that is individually packaged and the package has not been opened may be stored at the type A home to be served again or sent home.

(7) All dishes, cups, containers or silverware shall be discarded or cleaned and sanitized after each use, with the exception of individual, labeled containers used only for water. Water containers that are labeled with the child’s name shall be permitted to be used throughout the day but shall be washed and sanitized before being used again on another day. Dishes, cups, containers, and silverware sent by the parent/guardian shall be cleaned and sanitized by the type A home or sent home daily for cleaning.

5101:2-13-15 Appendix Schedule for Cleaning and Sanitizing Items for Child Care Centers and Type A Homes
(A) Liquid soap, a handwashing facility and individually assigned or disposable toweling or air dryers shall be provided with all restrooms.

(1) A “handwashing facility” is a permanent type fixture with running water which conforms to the Ohio plumbing standards of division 4101:3 of the Administrative Code.

(2) Handwashing facilities shall not be used for formula or food preparation or for washing dishes or bottles.

(B) All employees shall wash their hands with liquid soap and running water:

(1) Upon arriving at the type A home.

(2) After toileting or after assisting each child with toileting.

(3) After each diaper or pull up change.

(4) After handling pets, pet cages or other pet objects that have come in contact with the pet.

(5) After returning inside from outdoor activities.

(6) Before eating, serving or preparing food or bottles or feeding a child.

(7) After contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.

(8) Before and after administering medication, first aid or completing a medical procedure.

Rules are complete and appendices are current through April 30, 2014
(9) After taking off disposable gloves.

(C) Hand sanitizer is permitted to be used by adults in the home after wiping children’s noses, when a staff member is outside or alone in a room and needed in the staff/child ratio, and running water is not readily available. Staff must thoroughly wash hands with soap and running water as soon as staff/child ratio allows or upon re-entry to the building. The use of hand sanitizer does not replace the requirement of washing hands with running water and liquid soap.

(D) Children shall be instructed and assisted as needed, to wash their hands:

(1) After toileting.

(2) After returning inside after outdoor play.

(3) After contact with bodily fluids.

(4) After handling pets, pet cages or other pet objects that have come in contact with the pet.

(5) Whenever hands are visibly dirty.

(6) Before eating food.

(E) Standard precautions are primarily designed to prevent the spread of diseases that are spread by blood or other bodily fluids. Standard precautions are designed to protect staff from potentially infections diseases and shall be followed as defined below.

Rules are complete and appendices are current through April 30, 2014
(1) Vinyl gloves shall be worn during contact with blood or bodily fluids which contain blood, such as vomit or feces in which blood can be seen.

(2) Disposal of materials that contain blood requires a sealable, leakproof plastic bag or double bagging in plastic bags that are securely tied.

(3) Non-disposable items, such as clothing that contain blood shall be placed in a sealable, leakproof plastic bag or double bagged in plastic bags that are securely tied and sent home with the child.

(4) Sharp items used for procedures on children with special care needs, such as lancets for finger sticks or syringes require a disposable container called a “sharps container”. This is a container made out of durable, rigid material which safely stores the lancets or needles until the parent can take them home for disposal. Sharps containers must be stored out of the reach of children.

(5) Surfaces contaminated with blood or bodily fluids containing blood shall first be cleaned with hot, soapy water, and then sanitized with an appropriate bleach solution which is prepared on a daily basis, following the product guidelines, or other acceptable disinfectant solution which is environmental protection agency (EPA) rated as hospital disinfectant with a label claim for mycobactericidal activity.

OAC 5101:2-13-15.2

5101:2-13-15.2 Diapering and toilet training for licensed type A homes

(A) Diapering shall be handled in conformity with the following methods.

(1) When a central diaper changing station is used, there shall be a disposable separation material, that acts as a barrier placed between the child and the changing surface, which is discarded after each use.

(2) The type A home shall have disposable gloves available for diapering. The use of gloves or hand sanitizer does not eliminate the need for proper handwashing.

(3) The central diaper changing station shall be cleaned when visibly soiled and sanitized after each diaper
(4) If an infant’s crib is used to change the diaper, there shall be separation material between the infant and the crib sheet. If the bedding becomes wet or soiled during the diaper change, it shall be replaced with clean bedding.

(5) Children’s clothing that becomes soiled with fecal matter may be sent home without being rinsed. It shall be placed in a plastic container or bag, sealed and stored away from the rest of the child’s belongings and out of the reach of children.

(6) Soiled diapers shall be disposed of in plastic lined receptacle that prevents hand contamination. The receptacle shall be covered or otherwise enclosed and be inaccessible to children. These containers shall be emptied, cleaned and sanitized at least daily, or more frequently as needed to eliminate odor.

(7) Soiled diapers to be laundered at the type A home shall be stored in an appropriate germicidal solution, out of the reach of children, until laundered. If a commercial laundering service is used, soiled diapers shall be held for laundering for no more than five consecutive days. Soiled cloth diapers from the home shall be stored in an individual plastic lined, covered container and sent home daily.

(8) If disposable wipes or paper towels are used during diaper changing, they shall be discarded after each use. If washcloths are used, they shall be used once and stored in an appropriate germicidal solution, out of the reach of children, until laundered.

(9) Any product used during diapering, which is used on more than one child, shall be used so that the container does not touch the child. Any product obtained from a common container shall be removed and applied in such a manner so as not to contaminate the product or its container. Common containers shall be cleaned and sanitized when soiled.

(B) Toilet training shall occur based on a child’s readiness and consultation with parents/guardians regarding practices in the children’s homes. The type A home shall ensure that toilet training is never forced.

(C) Potty chairs shall be emptied into the toilet, rinsed, cleaned, and sanitized after each use.

5101:2-13-15.4 Toothbrushing in licensed type A homes

(A) Toothbrushing may be conducted in type A homes. If toothbrushing is practiced it shall be done in compliance with the following requirements.

(B) If a single tube of toothpaste is used for more than one child when brushing teeth, a pea sized amount shall be dispensed onto a clean piece of paper or paper product for each child. It shall not be place directly on the toothbrush.

(C) Each toothbrush shall be labeled with the child’s name and stored with the bristles to air dry in such a way that the toothbrushes cannot contact or drip on each other and the bristles are not in contact with any surface.

(D) A toothbrush must be discarded and replaced if it becomes contaminated through contact with another brush, is used by more than one child, if the child has a communicable illness requiring medical attention, if the toothbrush comes in contact with the toilet or toileting area, and at least every three months.

(E) Racks and devices used to hold toothbrushes for storage shall be labeled and shall be washed and sanitized or replaced on a monthly basis or whenever visibly soiled or after any contamination with body fluids.

(A) The type A home shall provide, on a daily basis, a well balanced program of activities and opportunities for both quiet and active play suitable to the developmental levels and abilities of each child in care.

(B) A copy of the daily program schedule shall be posted in a conspicuous place. The department shall also observe this program for each age group.

Rules are complete and appendices are current through April 30, 2014
(C) The home’s program and environment shall:

(1) Include outdoor play each day except as limited by rule 5101:2-13-14 of the Administrative Code. The program shall provide an opportunity for indoor gross motor play such as, climbing, jumping, running, riding wheel toys, or music and movement on days when outdoor play is not provided.

(2) Provide durable furniture, such as tables and chairs, for the purpose of implementing the program. This furniture shall be child-sized or safely adapted for use by children.

(3) Provide play materials to be used in the type A home’s daily program. These materials shall be visible, readily accessible, and arranged in an orderly manner so that children have opportunities to select, remove, and replace play materials with a minimum of assistance during the day.

(4) Provide opportunities for periods of child initiated activities such as, imaginative play, language development and creative activities.

(D) The type A home shall ensure that equipment, materials, and furnishings provided for both indoor and outdoor play are sufficiently varied to meet the developmental needs of the children. The home shall have enough play materials and equipment so that, at any one time in the daily program, each child the home is authorized to serve can be actively involved in play with developmentally appropriate equipment or materials.

(E) Equipment and materials shall be available and representative of all of the following categories for each age group.

(1) Infant:

(a) Pretend or dramatic play materials.

5101:2-13-17 Swimming and water safety requirements in licensed type A homes

(A) All swimming sites shall meet all state and local guidelines for environmental health inspections and for private pools. Verification of these inspections shall be maintained in the home.

(1) Swimming activities shall not be permitted in lakes, rivers, ponds, creeks or other similar bodies of water, with the exception of school children who have the written permission from the parent or guardian.

(2) Activities in bodies of water two or more feet in depth shall be supervised by persons who are currently certified as lifeguards or water safety instructors by the American red cross or an equivalent water safety program, as determined by the department. The lifeguard may be a child care staff member when the swimming pool is onsite at the type A home.

(3) Child care staff members shall be actively supervising children and shall be able to clearly see all parts of the swimming area including the bottom of pools.

Rules are complete and appendices are current through April 30, 2014
(B) Wading pools shall be filtered or emptied daily. Portable wading pools shall be sanitized daily, or more often, if needed.

(C) Child care staff members shall review swimming and water safety rules with children each time they participate in water activities. Included in these rules shall be the description of a system for checking to ensure that each child is safe when in the water.

1. The use of saunas, hot tubs, and spas by children is prohibited, and these items shall be inaccessible to them.

2. Swimming pools, wading pools, and other swimming/wading sites shall be made inaccessible to the children when adult supervision is not available.

(D) The type A home administrator shall have written permission from the parent or guardian:

1. Before the child swims in water two or more feet in depth.

2. Before the child participates in activities near water two or more feet in depth.

4. Before school children participate in swimming activities in lakes, rivers, ponds, creeks, or other similar bodies of water.

(E) The written permission shall be signed and dated by the parent or guardian, and be on file for review. The permission shall include the following:

1. The child’s name and birth date.

Rules are complete and appendices are current through April 30, 2014
(2) A statement indicating whether the child is a swimmer or a nonswimmer.

(3) Location of the swimming site.

(4) A statement that the parent or guardian grants permission for the child to participate.

(A) In order to ensure the safety and adequate supervision of children traveling off the premises of the home while under the care of a type A home employee, children shall be supervised at all times. The following requirements shall apply:

(1) Staff/child ratio requirements of rule 5101:2-13-20 of the Administrative Code shall be met on field trips and routine trips, except that parents, guardians or adults authorized by the type A home may be drivers on field trips provided that staff/child ratio requirements are met at the destination. Children shall be assigned to specific child care staff members for all trips.

(a) When children are transported in a parent’s, guardian’s or authorized adult’s vehicle they shall be seated and restrained in a child restraint system according to the requirements of section 4511.81 of the Revised Code.

(b) The child care staff member responsible for each child on the field trip shall maintain a written record of which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

(2) On routine trips the driver shall be an employee or child care staff member.
(3) At no time are children to be left unattended in a vehicle.

(4) An additional adult shall be present in the vehicle with the child care staff member whenever five or more children are being transported and one or more of the children are infants. An additional adult shall be present when there are seven or more children being transported and no infants are present.

(5) An additional adult shall be present with the child care staff member in the vehicle for every ten school children, or the driver shall have a means of immediate communication, such as cellular phone, to summon a second adult when only school children are transported in a vehicle.

(6) The additional adult in the vehicle may be a parent or volunteer.

(7) During walking routine trips or walking field trips, an additional adult shall be present for every group of five children that includes an infant or for any combination of seven or more toddlers, preschool and school children or for every ten school children if the group of children on the walk includes only school children.

(B) The type A home shall have written permission from the parent or guardian before transporting or walking children off the premises. The permission form signed by the parent or guardian shall include:

(1) The child’s name.

(2) The specific destination(s).

(3) The dated signature of the parent or guardian.

(4) For field trips, the date of the field trip and the approximate time frame the children will be on the trip.

(5) A statement notifying parent or guardian that their child will be participating in activities near water, if
(6) A statement notifying parent or guardian how their child will be transported, such as if the child will be transported by vehicles provided by the home, other parents’ vehicles or public transportation.

(C) Permission for routine trips shall be updated at least annually, or as needed.

(D) Written permission shall be retained on file for at least one year and shall be available for review by the Ohio department of job and family services (ODJFS).

(E) If the vehicle used to transport children is manufactured with seat belts, they shall be utilized by adults and children, and no more than one person may be strapped in each seat belt. Children or adults shall not be permitted to stand in a moving vehicle, sit on the floor or ride in a vehicle where all seats are not securely anchored.

(F) Children shall be seated and restrained in a child restraint system according to the requirements of section 4511.81 of the Revised Code.

(G) Children under twelve years of age shall not be permitted to ride in the front seat of any vehicle.

(H) The driver shall see that each child boards and exits the vehicle from the curb side of the street and out of the path of moving vehicles.

(I) The driver shall conduct a check of the vehicle at the completion of each trip to ensure that no child has been left on the vehicle.

(J) Prior to transporting children, staff shall check the fuel level of the vehicle and fill it if necessary. Children shall not be in the vehicle when it is being refueled except when a trip is of such a length as to require refueling after starting with a full tank.
(K) Smoking shall be prohibited in all vehicles when occupied by children.

(L) A person trained in first aid and management of communicable disease and CPR in accordance with rule 5101:2-13-27 of the Administrative Code shall be present at the destination on all field trips and a person trained in first aid/management of communicable disease in accordance with rule 5101:2-13-27 of the Administrative Code shall be present in the vehicle for routine trips. The person providing coverage for this requirement must have both first aid and management of communicable diseases. Another staff member present at the destination of the field trip may provide coverage for CPR.

(M) A completed JFS 01234 “Child Enrollment and Health Information” (rev. 2/2009) shall be available for each child on all trips, except for routine walks.

(N) The following shall be available on all trips including routine walks:

1. First aid supplies as required by rule 5101:2-13-36 of the Administrative Code. These supplies shall be available at all field trip destinations and on all vehicles used for routine trips;

2. The completed JFS 01236 “Child Medical/Physical Care Plan” (rev. 09/2006) or equivalent form for any child who has health conditions which could require special procedures or precautions during the course of the trip. The type A home shall also take supplies needed to provide treatment;

3. A record listing each child on the trip.

4. A working cellular phone or other means of immediate communication which shall not be used by the driver while the vehicle is in motion.

(O) Except for routine trips to and from the child’s school or home, each child on the trip shall have identification attached containing the type A home name, address, and a telephone number to contact in the event the child becomes lost.

Rules are complete and appendices are current through April 30, 2014
OAC 5101:2-13-18.1

5101:2-13-18.1 Transportation/vehicle requirements for licensed type A homes

(A) Any vehicle operated by the type A home or driven by the type A home staff to transport children for routine trips or field trips shall be mechanically safe at all times.

(B) Requirements for type A home vehicles used for transportation of children.

(1) Effective January 1, 2017, type A homes that were licensed prior to September 1, 2008 shall not be permitted to use converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers.

(2) Effective September 1, 2008:

(a) Type A homes that are issued a provisional license shall not be permitted to use converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers.

(b) Type A homes that replace or add a vehicle shall not be permitted to use converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers. This applies to all vehicles that are owned, leased or contracted.

(c) Vehicles used for transporting children which are purchased, leased or contracted with after September 1, 2008 and which are required by the United States department of transportation to be equipped with seat belts at the time of manufacture or assembly, must have factory installed passenger restraint anchorages and passenger restraints that are suitable for use in transporting children of any age who are to be transported. “Factory installed” means installed by the manufacturer or retrofitting that is accompanied by a certification document from the manufacturer. Add-on restraints such as infant carriers, car seats or
booster seats are designed to be installed by the end user and are not subject to these requirements.

(C) Vehicles, as defined in paragraph (A) of this rule, shall receive an annual safety check from an automotive service excellence (ASE) certified mechanic. Verification of the safety check shall be documented on the JFS 01230 “Vehicle Inspection Report” (rev. 9/2006). This verification shall include notation and correction of any safety violation and shall be maintained on file at the type A home for review by the department. A vehicle sticker issued from the Ohio state highway patrol in the past twelve months indicating the vehicle has passed a school bus or personal vehicle inspection may be used to meet this requirement.

(D) For all vehicles used for transporting children, the type A home shall maintain documentation that staff have performed weekly inspections followed by any necessary repairs or other appropriate actions, for the following items:

1. A visual inspection of the vehicle’s tires for wear and adequate pressure.

2. A visual inspection for working headlights and taillights, signals, mirrors, wiper blades and dash gauges.

3. An inspection for properly functioning child and driver restraints.

4. An inspection for properly functioning doors and windows.

5. An inspection for, and cleaning of, debris from the vehicle’s interior.

(E) Emergency exiting procedures shall be practiced with children on a monthly basis by all staff responsible for transporting children. This practice shall occur during months that the vehicle is used for transporting children and shall take place on the type A home’s premises or other safe location that is protected from traffic and other hazards to assure the safety of the children involved. A written record shall be kept of the dates when the emergency exiting procedure was practiced and the staff the were involved.

(F) Parents, who are not employed by the type A home, who use their vehicles for transportation to occasional fieldtrips shall not have to meet the requirements of paragraphs (C), (D) and (E) of this rule. “Occasional” means
5101:2-13-18.2 Transportation/driver requirements for licensed type A homes

(A) The driver for all trips shall meet all of the following requirements:

(1) Drivers who are used in the staff/child ratio or are employees of the type A home must meet the following requirements:

(a) Be at least eighteen years old.

(b) Hold a currently valid driver’s license required for the vehicle driven in accordance with Ohio law.

(i) A copy of each driver’s current driver’s license shall be kept on file at the home.

(ii) The administrator is responsible for assuring that the copy of the driver’s license on file is kept current.

(c) Not be under the influence of any substance which could impair driving abilities.

(d) Meet the requirements of paragraphs (A), (B) and (D) of rules 5101:2-13-25 and 5101:2-13-26 of the Administrative Code and this documentation shall be on file at the type A home.

(2) For drivers who are not used in the staff/child ratio and who are not employees of the type A home the administrator shall secure a JFS 01266 “Contracted Driver Qualification Statement” (9/2011) that has been completed at least annually by the driver’s employer.
(B) Training shall be completed prior to the driver assuming driving duties and the training shall meet all of the following requirements.

(1) The curriculum for this training shall be developed by the Ohio department of job and family services (ODJFS) and shall include:

   (a) The proper weekly safety inspection of the vehicle set forth in paragraphs (D)(1) to (D)(5) of rule 5101:2-13-18.1 of the Administrative Code.

   (b) The proper use of child safety restraints per national highway transportation safety administration (NHTSA) recommendations as referenced in appendix A to rule 5101:2-13-18 of the Administrative Code.

   (c) The proper procedures for loading/unloading and recording attendance of children being transported as stated in rule 5101:2-13-18 of the Administrative Code.

   (d) The proper procedures for evacuation drills in the vehicle as required in rule 5101: 2-13-18.1 of the Administrative Code.

   (e) The developmentally appropriate practices applicable to the behavior management of children during transportation as limited by rule 5101:2-13-22 of the Administrative Code.

(2) This training for transportation shall be completed at least annually for all drivers and any child care staff members who accompany drivers who have not received the training.

(3) This training shall be provided by the administrator or designee.

(4) This training shall be documented and kept on file in the employees file for review by ODJFS.

OAC 5101:2-13-19

Rules are complete and appendices are current through April 30, 2014
(A) The type A home shall provide a quiet space for children who want to rest, nap or sleep. Naptime shall be in accordance with the developmental needs of the child.

(1) No child shall be permitted to rest, nap or sleep on the floor. No toddler or preschool child shall sleep on anything other than a cot, couch or bed. Each toddler and preschool child, who attends the type A home for more than five hours on a given day or who participates in a nap time program, shall be provided with a cot, couch or bed, except that siblings of the same sex may be assigned to the same bed.

(2) School children, who rest, nap, or sleep may be provided with a clean, washable pad, mat, or comfortable furniture instead of a cot, couch or bed. The pad, mat or furniture shall be of a length and width that is appropriate for the child. When children rest, nap, or sleep on mats or pads, floors shall be clean, warm, dry and draft free.

(3) A type A home that operates more than five hours but less than seven hours on a given day and does not intend for the program to include a nap or rest period shall not be required to provide for naps.

(4) Rest areas shall be lighted enough to allow for visual supervision of children at all times.

(5) Any child who does not fall asleep after an appropriate length of time during a designated nap time shall have the opportunity to engage in quiet activities.

(6) Cots, pads or mats shall be assigned individually to each child, and shall be disinfected with an appropriate germicide before assignment to another child. Each couch and bed used for children in care shall have clean bed linen which is changed at least weekly. Bed linen shall be laundered before another child uses the couch or bed.

(7) Evacuation routes shall not be blocked by resting children. Each child shall have a free and direct means of egress. Child care staff members shall have a clear path to each resting child.
(A) Supervision of children is the function of actively observing and guiding a child or group of children. This includes awareness of and responsibility for the activity of each child and being near enough to intervene if needed. Supervision means child care staff members have knowledge of children’s needs, accountability for their care, and knowledge of which children they are responsible for at all times. Child care staff members of the type A home shall always be within sight or hearing of all children.

(1) Children shall be out of sight of the child care staff member only when all the following conditions are met:

(a) The children are engaged in activities which pose no risk to their safety.

(b) The children are within hearing of the child care staff member.

(c) The child care staff member checks on the children at least every five minutes.

(2) If the type A home uses a monitor, the child care staff member shall be within a distance to hear the children without the aid of the monitor.

(3) When children are outside, child care staff members shall be outside with the children, be within sight and hearing at all times and maintain the required staff/child ratios.

(B) No administrator or employee shall be under the influence of any substance that impairs the person’s ability to supervise children and/or perform the employee’s duties.

(C) The type A home shall employ sufficient staff so that the following staff/child ratios are maintained:

Rules are complete and appendices are current through April 30, 2014
(1) When only one child care staff member is present at the home, that child care staff member may care for children according to the following age combinations:

No more than 3 of the total number of children cared for by each staff person may be infants (18 months of age or younger).

(D) The following factors shall be used when calculating the staff/child ratios:

(1) Child care staff members shall not be counted in the staff/child ratio if they are engaged in duties that interfere with their supervision of children.

(2) Child care staff members shall not be counted in the staff/child ratio if they are engaged in telephone conversations or conversations with parents, which prevent the child care staff member from adequately supervising the children.

(3) Children under six years of age, and related to the type A home administrator or any employee shall be included in the total number of children in care. “Related to” means any of the following persons: grandchildren, daughters, sons, step-daughters, step-sons, sisters, brothers, step-sisters, step-brothers, nieces, nephews, half-brothers, half-sisters or first cousins who are related by blood, marriage or adoption. Children receiving foster care from the type A home are not considered to be related to the provider.

(4) Children six years of age through fourteen years of age who are related to the administrator shall not be included in the total number of children in care.

(5) Children under fifteen years of age and not related to the type A home administrator shall be included in the total number of children in care.

(E) To show compliance with staff/child ratios, a current JFS 01306 “Employee Record Chart” (rev. 9/2011) shall be completed and maintained by the type A home and shall be available for review by the Ohio department of job and family services (ODJFS). The JFS 01306 shall include:

1. The name of each employee.

2. Position of employee.

3. Date of employment.

4. Days and hours the employee is assigned to work.

(F) The type A home shall implement a written policy for all of the following:

1. Arrival and departure of children to assure that a child care staff member is aware of each child’s presence at the home.

2. Release of a child to persons other than the parent or guardian. A child shall only be released to persons sixteen years of age or older, except when parent or guardian permission is on file. This written permission shall be signed and dated by the parent or guardian and administrator.

3. Determining the whereabouts of a child when the child is absent, but is scheduled to be at the type A home. The procedure shall only be for children who do not arrive at the type A home with their parent or guardian.

(G) School children may leave the type A home for specific activities, including walking to and from the home or school, walking to their own home or to another destination. Written permission shall be obtained from the parent or guardian and kept on file at the type A home. The written permission shall specify all of the following:

1. The child’s name.

2. The child’s destination.

Rules are complete and appendices are current through April 30, 2014
(3) Arrangements for transportation to and from the activities.

(4) Time of arrival and departure.

(5) Time period for which permission is given.

(6) Parent or guardian’s signature and date.

(H) If a regularly employed child care staff member is unable, for any reason, to fulfill the responsibilities for the care of children, the staff member shall be replaced immediately by another child care staff member. A list of substitutes and verification of their qualifications shall be kept on file for review by ODJFS.

(I) A record of daily attendance shall be kept for each child enrolled, beginning on the child’s first day.

(1) The child care staff member responsible for each group of children shall keep a record of daily attendance. These attendance records shall remain with the group at all times throughout the day including during outdoor play and emergency evacuations. This record shall specify all of the following:

(a) The names and birth dates of children.

(b) The names of the child care staff members responsible for the group.

(c) For type A homes caring for children on both a part time and a full time basis, the attendance records shall include the days and hours of enrollment for each child.

(2) The child care staff member responsible for the child shall record attendance upon the child’s arrival and
5101:2-13-21 Care and nurturing of children for type A homes

(A) Staff shall be responsible for the well being and safety of each child to which they are assigned and for meeting each child’s basic needs.

(1) Diapers and clothing shall be checked for wetness and feces. Type A homes must secure a statement in writing from the child’s parents or guardians, stating the frequency in which they want their child’s diaper checked. Diapers shall be changed immediately when found to be wet or soiled.

(2) Clothing shall be changed immediately when wet or soiled with urine, vomit or fecal matter. Wet clothing from other sources such as water play, drinks or painting shall be changed at the end of the activity.

(3) Staff shall assist with the needs of children such as tying shoelaces, toileting, hand washing and basic hygiene. Staff shall acknowledge and respond appropriately to children who are crying or who show distress.

(4) The administrator and each employee of a type A home are required under section 2151.421 of the Revised Code to immediately report their suspicions of child abuse or neglect to their local children’s protective services agency.

(5) The administrator and each employee of a type A home shall protect or remove children from a situation that is determined to be unsafe.

Rules are complete and appendices are current through April 30, 2014
(6) All children shall be served food that is not a choking hazard and is developmentally appropriate in size, amount and texture. A list of foods that are examples of choking hazards for young children is provided in appendix A to this rule. Food provided to children in care must conform to the safety measures listed in the appendix to this rule.

(7) Eating utensils and dishes shall be suitable for the age and developmental level of the children. Children must be permitted the opportunity and encouraged to learn to feed themselves as their developmental levels allow.

(8) No person shall climb over barriers such as, but not limited to, gates, shelving units or furniture, while holding a child.

(9) Children shall not be exposed to inappropriate language, conversations, or behavior by center employees or any form of media.

(B) Staff shall implement practices supportive of individual developmental needs when caring for children with special needs.

(1) Type A homes who care for children with special needs or who require treatment for health conditions shall make appropriate adjustments as needed for these children.

(2) Information obtained from service providers, service coordinators and other professional involved in the child’s care must be documented in the child’s written record. This information must be shared with any child care staff member responsible for caring for the child.

(3) A child with developmental delays may receive care in a group of children which best meets the child’s individual needs in consultation with the parent/guardian.

(A) Child care staff members assigned to supervise a child or group of children shall be responsible for their guidance and management.

(B) Child guidance and management measures shall take place at the time of the incident as soon as the issue can be safely addressed and shall be; developmentally appropriate for the child, consistent, and explained to the child.

(C) The child care staff member shall:

1. Use developmentally appropriate techniques suitable to the children’s ages and relevant to the circumstances such as, but not limited to:

   (a) Setting clear limits.

   (b) Redirecting the child to an appropriate activity.

   (c) Showing children positive alternatives.

   (d) Modeling the desired behavior.

   (e) Reinforcing appropriate behavior.

   (f) Encouraging children to control their own behavior, cooperating with others and solving problems by talking things out.
(2) Intervene, when needed, as quickly as possible to ensure the safety of all children.

(3) Use developmentally appropriate separation from the situation only as necessary. The separation must last no more than one minute for each year of age of the child and must not be used with infants. When the child is to return to the activity, the child care staff member shall review the reason for the separation with the child and discuss with the child what behavior is expected.

(4) Communicate and consult with parents or guardians prior to implementing any specific behavior management plan. This plan shall be in writing and signed by the parent/guardian and must be consistent with the requirements of this rule.

(D) Employees and child care staff members shall not:

(1) Abuse, endanger or neglect children.

(2) Utilize cruel, harsh, unusual, or extreme techniques.

(3) Utilize any form of corporal punishment.

(4) Delegate children to manage or discipline other children.

(5) Use physical restraints on a child.

(6) Restrain a child by any means other than holding children for a short period of time, such as in a protective hug, so that the children may regain control.

OAC 5101:2-13-23

5101:2-13-23 Evening and overnight care for licensed type A homes

Rules are complete and appendices are current through April 30, 2014
(A) A type A home is considered to be providing evening and overnight care when children are in attendance any time between the hours of seven p.m. and six a.m. Care being provided during these hours shall comply with all applicable rules of Chapter 5101:2-13 of the Administrative Code and the additional requirements of this rule.

(B) Evening and overnight care shall ensure that children are safe and the type A home is secure.

   (1) Child care staff members shall remain awake, until all children are asleep.

   (2) The type A home shall provide adequate lighting indoors in all areas, including bathrooms, hallways, and sleeping rooms to ensure that child care staff members are able to see children.

   (3) Persons on the premises during evening and overnight care hours shall be limited to persons authorized by the administrator and parents and guardians of children in care.

   (4) The type A home shall provide a written security plan that ensures that access to the home is limited to parents and guardians of children in care and authorized persons. The type A home shall ensure that children are appropriately supervised at all times during limited access hours.

   (5) Outdoor walkways and entrances shall be adequately lighted for safety and security.

   (6) The type A home shall ensure areas where children sleep during evening and overnight care are on the building’s ground floor unless another floor has been approved for the care of sleeping children by the local fire official having jurisdiction.

   (7) Bedtime routines shall be developed in consultation with parents or guardians.

   (8) The type A home shall have a program of activities before bedtime, which allows for children’s individual needs.

Rules are complete and appendices are current through April 30, 2014.
(9) Each child in care during evening and overnight hours shall be provided with an individual blanket and a crib, cot, couch or bed, as required in rule 5101:2-13-19 or 5101:2-13-42 of the Administrative Code.

(10) Each child who sleeps at the type A home for four or more hours shall have clean comfortable sleeping garments.

(11) Storage spaces for personal belongings and clothing shall be provided.

(C) The type A home shall provide a sanitary environment, and shall provide for these additional hygiene requirements during evening and overnight care:

(1) School boys and girls shall be separated during washing and while changing clothes to ensure privacy.

(2) Child care staff members shall assist children during washing and changing clothes according to children’s developmental needs.

(3) Bed linens shall be changed at least weekly, or when soiled or assigned to a different child.

(4) Each child shall be provided by the type A home with a clean, individual washcloth, towel, and toothbrush if the parent does not provide these items. Anything to be re-used shall be labeled for each child and stored in a sanitary manner such that items do not touch and do not promote bacterial growth.

(5) Children shall have access to running water, liquid soap, and toothpaste.

(6) If bathing facilities are used at the type A home, bath tubs and showers shall be cleaned and disinfected.

Rules are complete and appendices are current through April 30, 2014
Administrator responsibilities and qualifications for type A homes

(A) The administrator who is also the permanent resident of the type A home, named on the license, shall be responsible for the daily operation of the type A home and with maintaining compliance with Chapter 5101:2-13 of the Administrative Code.

(1) The administrator and the owner of the type A home shall be the same person and the type A home shall be the primary residence. Administrators who do not meet this requirement shall have two years from the effective date of this rule to comply with this requirement.

(2) The administrator shall be onsite a minimum of one half of the hours that the type A home is in operation during the week, or a minimum of forty hours per week, whichever is less.

(3) The administrator shall have time each week to complete administrative duties.

(4) The administrator shall post scheduled hours of availability in a conspicuous place for parents.

(B) Whenever the administrator is not on the premises, a child care staff member shall be designated as the person in charge. The person designated as in charge is not required to meet administrator educational requirements. Child care staff members and employees shall be aware of the person designated to be in charge. This designated person shall handle all emergencies and have access to all records required by Chapter 5101:2-13 of the Administrative Code.

(C) Written documentation verifying the administrator’s qualifications shall be kept on file at the type A home. Administrators shall meet the following qualifications:

(1) The administrator shall have completed a high school education verified by one of the following:

Rules are complete and appendices are current through April 30, 2014
(a) A copy of a high school diploma recognized by the state board of education or the appropriate agency of another state as equivalent to a high school education.

(b) A copy of other written documentation approved by the department verifying high school completion or equivalency, such as the Ohio general educational development high school equivalence diploma (GED).

(c) A copy of the degree or transcript verifying completion of an associates degree or higher.

(2) In addition the administrator of the type A home shall have one of the following:

(a) Two years of college training verified by a transcript including two courses in child development. Two years of training shall be sixty semester or ninety quarter hours from an accredited college, university or technical college. Two courses shall be six semester hours or nine quarter hours from an accredited college, university or technical college. Child development is defined in rule 5101:2-13-28 of the Administrative Code.

(b) Twenty-four calendar months, for at least twelve hours a week of experience, working as a child care staff member in a licensed child care center or type A home, or twenty-four calendar months for at least twelve hours a week of experience as a child care home provider verified by documentation from past employers or other documented evidence. Care of one’s own children shall not be counted as experience.

(c) A currently valid child development associate credential issued by the national child development associate credentialing commission. In order to remain as the administrator the child development associate (CDA) credential must be currently valid.

Additional information on the CDA process may be obtained at: http://www.cdacouncil.org/.

(d) Completion of a two year vocational child care training program approved by the state board of education verified by a transcript or diploma.
(e) A prekindergarten associate certificate that is issued by the state board of education.

(f) A Montessori preprimary/early childhood credential from the American Montessori society, association of Montessori international, national center for Montessori education, or other Montessori program accredited by the Montessori accreditation council for teacher education.

(D) The administrator shall complete the type A home rules review course provided by the Ohio department of job and family services.

(1) Administrators shall complete the rules review course within six months of the date of their appointment.

(2) Verification of completion of the rules review course shall be on the JFS 01243 “Type A Administrator Rules Training Certificate” (rev. 9/2011). This form shall be kept on file at the type A home.

(3) Type A administrators who have completed the child care center administrator training within the last three years shall not be required to complete the type A administrator training. Three calendar years shall be calculated from the date the administrator is named at the type A home. It is the administrator’s responsibility to provide the documentation of completion of administrator training.

OAC 5101:2-13-25

5101:2-13-25 Employee and child care staff member requirements for licensed type A homes

(A) Every administrator, employee and child care staff member of a type A home shall be mentally and physically able to carry out their duties. No type A home shall employ as a child care staff member a person whose physical or mental disability would prevent such person from recognizing and acting upon any hazards to a child’s safety and well being.

(1) Each administrator, employee, and child care staff member shall receive a medical examination from a licensed physician, physician’s assistant, advanced practice nurse or a certified nurse practitioner within twelve months prior to the first day of employment.
(2) A completed form, verifying the exam, shall be on file the first day of employment for review by the director’s representative.

(3) The medical statement form shall include:

(a) The date of the examination; and

(b) The signature, business address, and telephone number of the licensed physician, physician’s assistant or certified nurse practitioner who completed the examination.

(4) The medical form shall be signed by the physician, physician’s assistant or certified nurse practitioner verifying that the employee is:

(a) Physically fit for employment in a home caring for children; and

(b) Immunized against measles, mumps and rubella (MMR), except that for persons born on or before December 31, 1956, a history of measles or mumps disease may be substituted for the vaccine. A history of rubella disease shall not be substituted for rubella vaccine. Only a laboratory test demonstrating detectable rubella antibodies shall be accepted in lieu of rubella vaccine.

(c) Immunized against tetanus and diphtheria. At the time the next booster is due, the employee shall also be immunized against pertussis (Tdap). All employees must have verification of being immunized against pertussis by January 1, 2017.

(5) An employee may be exempt from the immunization requirement for religious reasons upon filing a written request with the center, and for medical reasons upon filing a written request signed by a licensed physician.

(6) An additional report or examination by a licensed physician or mental health professional may be required when there is concern about an employee’s ability to perform required duties.

Rules are complete and appendices are current through April 30, 2014
(B) Except as otherwise provided in this rule, a child care staff member shall be at least eighteen years of age and have completed a high school education.

(1) There shall be on file at the type A home on the first day of employment evidence to verify each child care staff member’s high school education. Verification of high school shall be one of the following:

(a) A copy of a high school diploma recognized by the state board of education or the appropriate agency of another state as equivalent to a high school education.

(b) A copy of other written documentation approved by the department verifying high school completion or equivalency, such as the Ohio general educational development high school equivalence diploma (GED).

(c) A copy of a transcript from an accredited college, university or technical college indicating that the student has completed the high school education requirement and has been accepted to or is in the process of taking college coursework.

(d) A copy of the degree or transcript from an accredited college, university or technical college verifying completion of an associates degree or higher.

(2) A graduate of a two year vocational child care training program approved by the state board of education may be less than eighteen years of age and be a child care staff member. There shall be on file at the type A home evidence to verify the child care staff member’s graduation from an approved program. Evidence shall be:

(a) A copy of a diploma or a transcript verifying graduation from an approved vocational child care training program; or

(b) A copy of other written evidence approved by the director.

(C) A child care staff member may include a student that is less than eighteen years of age if the student is enrolled
Ohio Administrative Code Annotated  5101 Job and Family Services Department  5101:2 Job and Family Services Department--Social Services Division  Chapter 5101:2-13. Licensing Type a Family Care Homes

in the second year of a vocational child care training program approved by the state board of education which leads to high school graduation. The following requirements shall be met:

(1) The student shall perform duties under the supervision of an experienced child care staff member. A child care staff member shall be on the premises at all times a student is responsible for the care and supervision of children.

(2) The student shall receive periodic supervision from the teacher coordinator of the vocational child care training program.

(3) There shall be on file at the type A home a signed statement from the teacher coordinator of the vocational child care training program that verifies that the student is in the second year of a vocational child care training program and that the student is receiving periodic supervision.

(D) The type A home shall maintain documentation for each current employee, and for at least three years after each employee’s departure. Information shall include days and hours worked, and duties.

(E) A parent or guardian of a child enrolled in the type A home shall be exempt from the requirements in this rule unless the parent or guardian is acting as an employee or child care staff member. Parents who do not meet the requirements of this rule may not be counted in staff/child ratio or be left alone with children, except as a driver for a field trip as specified in paragraph (A) of rule 5101:2-13-18 of the Administrative Code.

(F) At the time of employment the administrator shall review all type A home policies, procedures, and licensing rules with each employee. A copy of the licensing rules shall be kept on the type A home’s premises and be accessible to employees. All employees shall sign a statement, to be kept on file at the home, verifying the review of the licensing rules and review and receipt of the following:

(1) The type A home’s parent/staff policies and procedures,

(2) The type A home’s medical and dental emergency plan.

OAC 5101:2-13-26

5101:2-13-26 Statement of nonconviction and criminal records check for licensed type A homes

Rules are complete and appendices are current through April 30, 2014
(A) Definitions.

(1) “Criminal records check” has the same meaning as in section 109.572 of the Revised Code.

(2) “Employee” has the same meaning as in section 5104.01 of the Revised Code.

(B) All persons who are employees in any capacity in a type A home, anyone who owns or operates a type A home, any administrator, anyone eighteen years of age or older residing in the type A home, and any person described in paragraph (I) of this rule shall follow the requirements of this rule.

(C) The JFS 01328 “Statement of Nonconviction for Child Care Centers and Type A Homes” (rev. 7/2010) shall be completed and kept on file at the type A home for the following persons at the following times:

(1) All administrators and owners of type A homes.

   (a) Prior to the issuance of a provisional license.

   (b) By the date of hire.

   (c) Annually from the date of hire.

(2) All employees.

   (a) By the date of hire.

Rules are complete and appendices are current through April 30, 2014
(b) Annually from the date of hire.

(3) All persons eighteen years of age or older who reside in a type A home.

(a) By the fifth day after moving into the type A home.

(b) By the fifth day after turning eighteen year of age.

(c) Annually from the date the form was signed.

(D) Each owner, administrator, employee, or person eighteen years of age or older residing in the type A home shall sign a statement attesting that he or she has not had a child removed from his or her home pursuant to section 2151.353 of the Revised Code. This statement is included on the JFS 01328. Any person who has had a child removed from their home shall not own, be an administrator of, be an employee of, or reside in a type A home.

(E) The owner/administrator of a type A home shall indicate on the JFS 01328 that no one who resides in the type A home and who is under eighteen years of age has been adjudicated a delinquent child for committing a violation of any offense listed in division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section 5104.09 of the Revised Code.

(F) Criminal records check.

(1) Type A homes shall submit fingerprints according to the requirements of the bureau of criminal identification and investigation (BCII). Information on how to obtain a criminal records check can be found at http://www.ohioattorneygeneral.gov/Services/Business/WebCheck.

(2) All criminal records check results shall be dated, have an authentication number and the last four digits of

Rules are complete and appendices are current through April 30, 2014.
(3) Each type A home shall pay to BCII the prescribed fee for each requested criminal records check. If the type A home chooses to charge an employee or anyone eighteen years of age or older residing in the type A home, the type A home administrator shall notify the employee or resident in writing of the amount of the fee and the procedure for reimbursement of the fee to the type A home.

(4) Criminal records check results are not public records and shall not be made available to any person other than the person who is the subject of the criminal records check or his or her representative, the type A home administrator, owner, the owner’s designee or the Ohio department of job and family services (ODJFS).

(5) Division (B)(1) of section 109.572 of the Revised Code requires that this rule applies to records of convictions that have been sealed pursuant to section 2953.32 of the Revised Code.

(6) A conviction or a plea of guilty to an offense listed in division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section 5104.09 of the Revised Code shall not prevent the hiring of an employee or the issuance of a provisional license if the owner, administrator, or anyone eighteen years of age or older who resides in the type A home, or an employee provides evidence that he or she has been granted an unconditional pardon for the offense pursuant to Chapter 2967. of the Revised Code or the conviction or guilty plea has been set aside pursuant to law. For purposes of this rule, “unconditional pardon” includes a conditional pardon when all conditions have been performed or have transpired.

(7) If the result of a criminal record check for an employee indicates the possibility of a prohibited offense but does not include a conviction of or plea of guilty to the offense, the administrator shall secure the needed court documents to verify the final disposition. The administrator shall keep this documentation in the employee’s file.

(8) If the employee or anyone eighteen years of age or older who resides in the type A home fails to obtain a criminal records check, he or she shall not be an employee or a resident of the type A home.

(G) Before the issuance of an initial provisional license, owners and administrators, and anyone eighteen years of age or older residing in a type A home shall complete a criminal records check and ODJFS shall review and approve the results.

Rules are complete and appendices are current through April 30, 2014.
Ohio Administrative Code Annotated 5101 Job and Family Services Department 5101:2 Job and Family Services Department--Social Services Division Chapter 5101:2-13. Licensing Type a Family Care Homes

(1) The owner and administrator shall have the results of the BCII and federal bureau of investigation (FBI) criminal records checks, including results of anyone eighteen years of age or older residing in the type A home, sent to ODJFS. These criminal records checks shall be repeated and submitted to ODJFS every four years thereafter.

(2) The requirement for a criminal records check shall not apply when an initial application is needed solely because the type A home has changed location.

(3) The initial license application shall be denied or the license revocation process shall begin if ODJFS receives a criminal records report verifying that an owner or administrator or anyone eighteen years of age or older residing in the type A home has a conviction under division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section 5104.09 of the Revised Code unless ODJFS determines that the person meets the standards for rehabilitation in this rule.

(4) Owners and administrators and anyone eighteen years of age or older residing in the type A home shall provide ODJFS proof that the standards for rehabilitation have been met. If the owner or administrator or anyone eighteen years of age or older residing in the type A home fail to provide such proof or if the proof offered by the person is inconclusive, no license shall be issued.

(H) A person applying for employment or who at any time, has care, custody or control of a child or is alone with a child or a group of children at the type A home shall complete a criminal records check prior to the first day of employment and every four years thereafter.

(1) The type A home administrator shall assure that a person applying for employment has submitted his or her fingerprints for a BCII electronic criminal records webcheck, including an FBI criminal records check at a BCII authorized webcheck location. This includes all employees of the program who are present during any child care hours and all persons providing contracted services who care for children or are used in the staff/child ratio. The results shall be on file within thirty calendar days from the date of hire and returned directly to the administrator or type A home.

(2) The administrator shall review and approve the results of the criminal records check before any applicant has sole responsibility for the care, custody, or control of a child.

(3) A type A home that uses the services of a student placed by a high school or college as part of a supervised field assignment or student teaching experience has complied with this rule if either the type A home, high school or college requested that the BCII or FBI criminal records check be completed and the results are on file at the type A home.

Rules are complete and appendices are current through April 30, 2014.
Ohio Administrative Code Annotated _5101 Job and Family Services Department _5101:2 Job and Family Services Department--Social Services Division _Chapter 5101:2-13. Licensing Type a Family Care Homes

(4) A type A home that uses the services of or contracts with individuals or agencies, such as but not limited to, agencies providing temporary employees, speech therapy, computer training, or dance, has complied with this rule if the type A home or the contracted entity requested that the BCII or FBI criminal records check be completed and documentation of the results are on file at the type A home.

(5) The administrator of a type A home shall request an updated BCII and an FBI criminal records check if an employee leaves the type A home’s employment and is then rehired.

(6) Administrators may include a FBI criminal records check in addition to the BCII criminal records check every four years.

(I) The administrator shall verify that a BCII criminal records check has been completed.

(1) A BCII criminal records check shall be repeated every four years for every employee.

(2) Administrators may include an FBI criminal records check in addition to the BCII criminal records check every four years.

(J) Any employee who has never had a BCII criminal records check shall obtain a BCII criminal records check and have the results on file at the type A home.

(K) If the criminal records check results indicate that an employee has a conviction under division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section 5104.09 of the Revised Code, the type A home administrator shall immediately release the person from employment until the administrator determines and documents that the person meets the standards for rehabilitation in this rule and the type A home chooses to employ the person. It is the employee’s responsibility to provide all information to verify that he or she meets the standards for rehabilitation in this rule.

(L) Unless the provisions of paragraph (M) of this rule are met, an individual who has been convicted of or pleaded guilty to a prohibited offense listed in division (A)(8) or (A)(9) of section 109.572 or division (A)(1) of section

Rules are complete and appendices are current through April 30, 2014
5104.09 of the Revised Code shall not:

(1) Own or operate a licensed type A home.

(2) Be employed in any capacity in a licensed type A home.

(3) Reside in the licensed type A home if eighteen years of age or older.

(M) An individual with a prohibited offense as listed in paragraph (L) of this rule may not be an owner, administrator, employee or resident eighteen years of age or older of a licensed type A home unless he or she meets the following standards for rehabilitation:

(1) Where the offense was a misdemeanor, at least three years have elapsed from the date the person was fully discharged from imprisonment, probation or parole in regard to the conviction. A person who has had his or her record of misdemeanor conviction sealed by a court pursuant to section 2953.32 of the Revised Code shall be considered to have met this condition. If the offense was a felony, at least ten years have elapsed since the person was fully discharged from imprisonment, probation or parole.

(2) The victim of the offense was not one of the following:

(a) A person under eighteen years of age.

(b) A functionally impaired person as defined in section 2903.10 of the Revised Code.

(c) A mentally retarded person as defined in section 5123.01 of the Revised Code.

(d) A developmentally disabled person as defined in section 5123.01 of the Revised Code.

Rules are complete and appendices are current through April 30, 2014
(e) A person with mental illness as defined in section 5122.01 of the Revised Code.

(f) A person sixty years of age or older.

(3) The individual will not jeopardize the health, safety, or welfare of the children served by the type A home. The following factors shall be considered:

(a) The age of the person at the time of the offense.

(b) The nature and seriousness of the offense.

(c) The circumstances under which the offense was committed.

(d) The degree to which the person participated in the offense.

(e) The time elapsed since discharge from imprisonment, probation or parole.

(f) The likelihood that the circumstances leading to the offense will recur.

(g) Whether the person is a repeat offender.

(h) The person’s employment record.

(2) Have at least two years experience in the subject area of training and provide evidence of currently valid certification or licensure in the subject area.

(3) Have at least two years experience in the subject area of training and provide verification of completion of at least thirty-six quarter hours or twenty-four semester hours from an accredited university, college, or technical college in the training area.

(4) A licensed physician or registered nurse and two years of experience in the subject area.

(N) A trainer in child development or health and safety shall submit to the department, upon request, a detailed course outline of a training. This course outline shall include the course title, goal and focus of the training, a brief summary of information to be discussed, and any resources used to develop the training.

(O) Resource persons who do not meet the trainer qualifications may be utilized during a training if accompanied and supervised by a trainer who meets the requirements of this rule.

(P) For training in child development topics, video, CD/DVD presentations, electronic media resource trainings, and online trainings approved by the department, may be used for a maximum of ten of the child care staff member’s forty-five hours of training. This electronic media training shall be documented on the prescribed form. Attendance by child care staff members shall be documented by the type A home administrator. Electronic media training shall not be used for trainings in first aid, CPR, management of communicable disease, or child abuse recognition/prevention unless approved by the Ohio department of job and family services.

Rules are complete and appendices are current through April 30, 2014
It shall be unlawful for an administrator, licensee, or child care staff member to discriminate in the enrollment of children in the type A home upon the basis of race, color, religion, sex, or national origin.

(OA) At the time of enrollment or employment the administrator shall supply the parent or guardian and all employees with a completed copy of the JFS 01337 “Type A Home Parent and Employee Information” (rev. 9/2011). This document shall contain the written information concerning licensing regulations, the operation of the child care program in the type A home, and all policies and procedures of the type A home. If there are any revisions or additions to this information, the administrator shall provide a written copy of the changes to the parents/guardians of each child and all employees.

(B) The written policies of the type A home shall not conflict with Chapter 5101:2-13 of the Administrative Code.

(C) A copy of the type A home’s written information, policies and procedures shall be available at the home for review by the Ohio department of job and family services (ODJFS).

(D) The parent or guardian and each employee shall sign and date a statement verifying the review and receipt of the written policies and procedures. The signed statement shall be kept on file at the type A home for review.

(E) The type A home shall demonstrate in daily practice that all written policies, procedures, and statements given to the parents, guardians, and employees are followed.

(F) The administrator or designee shall interview each child and his or her parent or guardian prior to the child’s admission to the program.

Rules are complete and appendices are current through April 30, 2014
(G) The type A home shall provide the tax identification number to parents or guardians at the time children are accepted into the program or upon request.

(H) The owner of the type A home child care program shall complete one of the following:

(1) Obtain and maintain liability insurance insuring the owner of the program against liability arising out of, or in connection with, the operation of the type A home.

(a) The liability insurance shall cover any cause the owner of the type A home child care program is liable, in the amount of at least one hundred thousand dollars per occurrence and three hundred thousand dollars in the aggregate.

(b) Proof of insurance shall be maintained at the home.

(c) If the owner of the child care program is not the owner of the real property where the type A home is located and the owner of the child care program obtains liability insurance described in paragraph (H)(1) of this rule, the owner of the child care program shall name the owner of the property as an additional insured party on the liability insurance policy if all of the following apply:

(i) The owner of the property requests in writing the owner of the child care program add the owner of the property to the liability insurance policy as an additional insured party.

(ii) The addition of the property owner does not result in cancellation or nonrenewal of the insurance policy.

(iii) The property owner pays any additional premium assessed for coverage of the owner of the property.

(2) Provide each parent or guardian of children receiving care in the home with a JFS 01933 “Liability Insurance Statement for Type A and Type B Family Child Care Homes” (8/2009). The JFS 01933 is to be signed by the parent or guardian and on file by the child’s first day of attendance.

Rules are complete and appendices are current through April 30, 2014
(a) If the owner of the child care program is not the owner of the real property where the type A home is in operation, the statement shall also include: the owner of the property may not provide for coverage of any liability arising out of, or in connection with, the operation of the type A home.

OAC 5101:2-13-31

5101:2-13-31 Administration of medication requirements for licensed type A homes

(A) The type A home shall set its own policy regarding whether or not the home will administer medication. If a home chooses to administer medication, food supplements, or modified diets, the home shall meet the following requirements:

(1) The type A home shall secure and follow the written instructions of a licensed physician, an advanced practice nurse certified to prescribe medication, or a licensed dentist on the JFS 01217 “Request for Administration of Medication” (rev. 9/2005). All instructions on this form shall be followed. The home shall also secure written instructions from the parent or guardian on the form. A prescription label also serves as written instructions for medications and food supplements as long as the following are met:

(a) The label contains the child’s full name, a current date (within the last twelve months), the exact dosage to be given and the means of administration;

(b) The prescription label is attached to the original container.

(2) Only fever and/or pain reducing medications that do not contain aspirin, or cough or cold medications that do not contain codeine, may be administered by the type A home, without written instructions from a licensed physician, if the following are met:

(a) The type A home secures and follows written instructions from the parent or guardian on the prescribed form provided by the department. These instructions do not exceed manufacturers’
(b) Medication is in the original container with the original label attached. The label must specify appropriate dosages based on the child’s age or weight;

(c) The full name of the child, who is to receive the medication, is printed on the container.

(d) The type A home administers the medication for no more than three consecutive days at one time.

(3) Type A homes may apply nonprescription topical products or lotions if the following are met:

(a) The type A home shall secure written instructions from the parent or guardian on the JFS 01217. The form shall be valid for no longer than twelve months; and

(b) The type A home shall follow manufacturers’ guidelines regarding application; and

(c) When used for skin irritations, such as diaper rash, the topical product shall be applied by the home for no longer than fourteen consecutive days at any one period of use.

(B) When administering medication, food supplements, modified diets, the type A home shall:

(1) Assure that the medication, food supplement, or modified diet is not administered for any period of time beyond the date indicated by the physician, advanced practice nurse certified to prescribe medication, or licensed dentist, or for twelve months whichever comes first; and

(2) Designate individuals who will administer prescription and nonprescription medication. Any staff member can apply nonprescription topical products or lotions used as a preventative measure; and
(3) Verify each administration or application of medication by documenting it on the JFS 01217. Application of nonprescription topical products and lotions used only as a preventative measure does not need to be documented; and

(4) Assure that dosages administered by the type A home do not exceed prescribed dosages or manufacturers’ recommended dosages; and

(5) Assure that a separate form is used for each medication to be administered; and

(6) Assure that completed forms be kept on file at the type A home for review by the department for at least one year following the administration of the medication, food supplement, or modified diet.

(C) When storing medications the type A home shall:

(1) Assure that all medication and food supplements are given directly to type A home personnel for immediate safe storage, except that an inhaler or medication may be available to a school child with a special health condition or in an emergency, in accordance with the home’s policy as required in rule 5101:2-13-30 of the Administrative Code; and

(2) Assure that all type A home personnel are made aware of all school children who have immediate access to personal inhalers and that a JFS 01217 is completed for all school children who have immediate access to personal inhalers; and

(3) Refrigerate medication as needed immediately upon arrival at the type A home and store in a separate container to prevent contamination with foods; and

(4) Keep medications out of the reach of children; and

Rules are complete and appendices are current through April 30, 2014
(5) Remove all medications from the type A home when they are no longer needed or if the label indicates that the medication has expired.

5101:2-13-33 Management of illness in licensed type A homes

(A) The type A home shall post and follow the JFS 08087 “Ohio Communicable Disease Chart” (rev. 9/2009) for appropriate management of suspected illnesses.

(1) The chart shall be posted in a location readily available to center staff and parents.

(2) The JFS 08087 with a revision date of either 4/2009 or 9/2009 may be posted and followed.

(B) A child care staff member who has successfully completed current and valid training in the management of communicable diseases according to rule 5101:2-13-27 of the Administrative Code or one who has been trained in recognition of communicable diseases meeting the following training requirements shall observe each child daily upon arrival at the type A home and before the child joins a group of children.

(1) This training shall include the symptoms for discharge covered in paragraph (D) of this rule and information included on the JFS 08087.

(2) The training shall be conducted by an individual with current valid training in management of communicable diseases according to rule 5101:2-13-27 of the Administrative Code.

(3) The training shall be documented in the child care staff member’s file and include a statement acknowledging that they have completed the training, the date of the training and the name of the individual conducting the training.
(C) The type A home shall immediately notify the parent or guardian of the child’s condition when a child has been observed with signs or symptoms of illness.

(D) A child with any of the following signs or symptoms of illness shall be immediately isolated and discharged to his parent or guardian or person designated by the parent or guardian:

1. Temperature of at least one hundred degrees Fahrenheit when in combination with any other sign or symptom of illness. Temperature shall be taken by the axillary (armpit) method with a digital thermometer. The thermometer shall be sanitized after each use.

2. Diarrhea (three or more abnormally loose stools within a twenty-four hour period).

3. Severe coughing, causing the child to become red or blue in the face or to make a whooping sound.

4. Difficult or rapid breathing.

5. Yellowish skin or eyes.

6. Redness of the eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning, itching or eye pain.

7. Untreated infected skin patches, unusual spots or rashes.

8. Unusually dark urine and/or gray or white stool.

5101:2-13-34 Medical, dental, and general emergency plan for licensed type A homes

(A) The type A home shall have a written plan for medical, dental and general emergencies on JFS 01242 “Medical, Dental and General Emergency Plan” (rev. 9/2011). This medical, dental and general emergency plan shall be completed, implemented when necessary, and shall be posted, readily in view, by each telephone.

(B) General emergencies include:

(1) Any threats to the safety of children due to environmental situations or threats of violence.

(2) Natural disasters such as fire, tornado, flood.

(3) Loss of power, heat, or water.

(C) “Serious incident, injury, or illness” includes any situation occurring while a child is in care of the type A home, that requires any of the following:

(2) Professional consultation.

Rules are complete and appendices are current through April 30, 2014
(3) Transportation by parents/guardians or emergency services for emergency treatment.

(D) A fire and weather alert plan shall also be posted in spaces used by the children, and shall include a diagram indicating evacuation routes and basic written instructions for the employees to follow.

(E) A JFS 01201 “Dental First Aid Chart” (rev. 6/2011) shall be completed and posted in each room and space used by children.

(F) The type A home shall have access at all times to a working telephone.

(G) The type A home shall conduct monthly fire drills at varying times. Documentation of these drills shall be posted in a conspicuous location.

(H) The type A home shall conduct monthly weather emergency drills in the months March through September. Documentation of these drills shall be posted in a conspicuous location.

(I) If a child is transported for emergency treatment, the child’s health and medical records required by rules 5101:2-13-37 and 5101:2-13-38 of the Administrative Code shall accompany the child. The type A home administrator or a child care staff member shall stay with the child until the parent or guardian assumes responsibility for the child’s care.

(J) If the type A home transports in case of emergency, at least one child car safety seat shall be readily available on the premises. The car safety seat shall have the manufacturer’s label attached, indicating the weight and age of child it is designed to serve.

5101:2-13-38 Care of children with health conditions in licensed type A homes

Rules are complete and appendices are current through April 30, 2014
(A) If care is provided for a child who requires or may require a medical procedure or who has an ongoing health condition that requires child specific care, the parent/guardian shall complete the JFS 01236 “Medical/Physical Care Plan” (rev. 9/2011) or an equivalent form. The type A home administrator and child care staff members shall implement the plan. This requirement does not include short term illnesses, unless the child care staff member needs to perform a medical procedure for the child.

(B) The plan shall be written, signed and dated by the parent or guardian. The plan shall also be signed and dated by the child care staff member taking responsibility, the type A home administrator and, if applicable, the certified professional or parent who trained the type A home staff to perform medical procedures. The plan shall be readily accessible to the child care staff member caring for the child.

(C) The medical/physical care plan shall be written for each condition that requires different actions and shall include the following:

1. The name of the child.

2. Identification of and instructions for any necessary medical procedure to be performed.

3. Symptoms of any condition that child care staff members need to be alert to and the actions to be taken by the child care staff member if the symptom is observed.

4. The names of the child care staff members trained by the parent or guardian or certified professional to perform the medical procedures.

5. Parent or guardian permission statement for the performance of the medical procedures.

6. A written individualized emergency preparedness plan, if the child requires more assistance than other children of the same age or in the same group or if they require special supplies in an emergency situation.
(D) The plan shall be reviewed at least annually and revised as needed.

(E) The plan shall be on file at the type A home for review by the department.

(F) A child with a health condition includes a school child whose medical condition requires the availability of emergency medication such as an inhaler or epi-pen. The staff shall be notified of these children whose condition necessitates the carrying of these items.

(G) Only child care staff members trained by the parent or guardian or certified professional shall be permitted to perform medical procedures.

(H) There shall be a trained child care staff member onsite at all times whenever a child with a health condition is present. If a child with a health condition is taken on a routine or field trip there shall be a trained child care staff member with the child at all times.

(1) Children in evening or overnight care shall be accommodated to the above schedule, as applicable, during the hours the child is awake.

(2) A meal shall meet one-third of the recommended daily dietary allowances as specified by the United States Department of Agriculture (USDA) Child and Adult Care Food Program Child Care Component as outlined in 7 CFR 226.20 (Sept. 1, 2004). This includes at a minimum, one serving of fluid milk, one serving of meat or meat alternative, two servings of vegetables and/or fruits (one serving of each is recommended) and one serving of bread or grains.

The sizes of individual food servings may be varied according to the developmental needs of the child being served, but additional amounts of food shall be prepared and ready to serve in order to meet one-third of the recommended daily dietary allowance for each child in attendance.

(3) A snack shall provide nutritional value in addition to calories and contain at least one food from two of the four basic food groups. The basic food groups are:

(a) Meat/meat alternate.
(b) Bread/grains.

(c) Fruit/vegetable.

(d) Milk.

(4) Breakfast shall include, at a minimum, one serving each of fluid milk, fruit or vegetable, and bread or grains.

(5) Only one hundred per cent, undiluted, fruit or vegetable juice shall meet the fruit or vegetable requirement for meals or snacks.

(6) For children over twenty-four months of age, the type A home shall provide fluid milk that is vitamin D fortified. Low fat and skim milk shall be vitamin A and vitamin D fortified. Reconstituted dry powdered milk shall be used only for cooking and shall not be used as a beverage.

(7) For children under twelve months of age, the home shall use formula or breast milk unless otherwise directed in writing by a licensed physician. For children older than twelve months but under twenty-four months of age, the home shall provide and use whole homogenized vitamin D fortified cow’s milk, unless otherwise directed in writing by a licensed physician.

(B) In order to verify compliance with this rule, the department may require the type A home to submit food preparation records that shall include:

(1) Menus which reflect quantities of all foods served by the type A home.

(2) Record of ingredients, from the four food groups, which were used to prepare mixed food recipes, such as pasta and cheese, casseroles, or soups.
(3) The total number of children of each age group and the adults served.

(C) Current dated menus for the entire week shall be displayed in a conspicuous place readily in view for parents or guardians at the home, and shall reflect all meals and snacks served by the type A home. Any substitute foods served shall be recorded on the posted menu at the time of the change.

(D) Modified diets shall be approved in writing by a licensed physician. If an entire food group is eliminated, the home shall obtain written instructions from a physician on the prescribed form provided by the department. When special diets are required for cultural or religious reasons, the type A home shall obtain written, dated and signed instructions from the child’s parent or guardian unless the special diet is part of a type A home program.

(E) When the type A home provides the meal, the home shall set its own policy regarding the accommodation of a parent’s alternate diet for a child, but the type A home shall assure that any alternate diet, except those required for religious, cultural, or medical reasons as specified in paragraph (D) of this rule, include items from each of the following categories: protein, grain, fruit/vegetable, dairy.

(F) Parents or guardians may provide food for the children’s meals and snacks if the type A home meets the following requirements:

1. Has provisions for safe storage of parent provided food.
2. Has supplemental foods from all four food groups on the premises and readily accessible during meal times. Supplemental food which is needed to fulfill one-third of the child’s recommended daily dietary allowances shall be readily available and offered to each child if the parent provided meal does not meet the requirements of paragraph (A) of this rule.
3. Provides all parents or guardians and staff written nutritional information regarding meeting one-third of the child’s recommended daily dietary allowance. A copy of this written nutritional information shall be on file at the home.

Rules are complete and appendices are current through April 30, 2014
Ohio Administrative Code Annotated 5101:2 Job and Family Services Department--Social Services Division Chapter 5101:2-13. Licensing Type a Family Care Homes

(A) The type A home shall devise and implement a program of activities suitable to the age levels and abilities of the infants under care.

(1) Each infant shall be removed from the crib, swing, infant seat, or other equipment throughout the day for individual attention.

(2) Outdoor play shall be available according to the infant’s stage of development. Outdoor play space used by infants shall meet the requirements of rule 5101:2-13-14 of the Administrative Code.

(3) Equipment and play materials in sufficient quantities shall be available as specified in rule 5101:2-13-16 of the Administrative Code.

(B) The type A home shall maintain a daily written record that is given to parents or guardians each day for children up to eighteen months of age. The record shall include the following areas:

(1) Food intake.

(2) Sleeping patterns.

(3) Times and results of diaper changes.

(4) Information about daily activities.

OAC 5101:2-13-41 Infant feeding requirements in licensed type A homes

(A) Type A home policies and practices shall support parent preferences in infant feeding, including breastfeeding and shall recognize the center for disease control’s determination that handling and storage of breast milk does not

Rules are complete and appendices are current through April 30, 2014
(B) Each infant shall be removed from his or her crib for all feedings. Infants shall be held or fed sitting up for bottle feedings. At no time shall a bottle be propped for an infant.

(C) Infant food shall be prepared and served in a manner appropriate to the developmental needs of each child according to his or her stage of development.

(D) Infants shall be served food in conformity with dated written instructions from the parent or guardian or physician. The instructions shall include amounts of food, type of food, and feeding times, and be updated as needed based upon the child’s needs and parent’s instructions.

(E) If the parent or guardian does not provide instructions for the serving of food to their infant, the infant shall be served food in sufficient amounts to meet the meal pattern and quantity of the United States department of agriculture (USDA) child and adult care food program child care component.

(F) When infant formula is prepared by the home, it shall be prepared according to the manufacturer’s instructions or instructions from the child’s physician or advance practice nurse.

(G) The type A home shall clean and sanitize all surfaces just prior to preparing formula, breast milk or food. All equipment, including bottles and nipples, shall be washed in a dishwasher or scrubbed with hot water containing soap, thoroughly rinsed and boiled for one minute prior to use or reuse. Handwashing facilities shall not be used for formula, breast milk or food preparation or for rinsing or washing dishes and bottles.

(H) Type A homes that care for infants shall have available the appropriate commercially prepared formula for the infant in the event that the parent or guardian does not provide a quantity of formula sufficient to meet the infant’s daily requirement. Formula beyond its expiration date shall not be served.

(I) The type A home shall develop and implement a plan for the safe storage of food, formula or breast milk.

Rules are complete and appendices are current through April 30, 2014.
(1) Open containers of ready to feed and concentrated formula shall be covered, dated and refrigerated according to the manufacturer’s instructions. Prepared formula and food shall be discarded or sent home.

(2) Until used, all formula or food shall be labeled with the child’s name and date of preparation and refrigerated immediately after preparation or upon arrival if prepared by the parent or guardian, and sent home daily. Formula or food that is commercially prepared may not be required to be refrigerated until after opening and shall be stored and served according to the manufacturer’s instructions and the expiration date on the label and labeled with the child’s name and date of preparation.

(3) If breast milk is provided by the parent or guardian, it shall be labeled with the child’s name, date expressed and the date of receipt. Type A homes shall follow the chart below in regard to storing breast milk:

(4) If formula or fluid breast milk is to be warmed, bottles shall be placed in a container of hot, not boiling, water or be placed in a commercial bottle warmer. The container of water shall be emptied and cleaned each day. The bottle shall be shaken well, and the formula or breast milk temperature tested before feeding. Frozen breast milk shall be thawed under cold running water or in the refrigerator.

(5) Microwave ovens shall not be used for heating formula, breast milk or other liquids.

Rules are complete and appendices are current through April 30, 2014
(6) Infant bottles, formula, breast milk and food shall be readily available to staff. Staff/child ratios and 
supervision shall be maintained when staff are obtaining, preparing or warming bottles or food.

(7) The unused portion of formula, breast milk or food remaining in a container from which the infant has been 
directly fed, shall not be reheated or served again.

(8) Food heated in a microwave oven shall be stirred or shaken to avoid uneven heating.

OAC 5101:2-13-42

5101:2-13-42 Cribs in licensed type A homes

(A) Each infant shall be provided with a separate crib. There shall be one crib available which meets the 
requirements of this rule for each infant in attendance at the home.

(1) Each crib shall be labeled with the infant’s name who is assigned to use the crib, and shall be for the 
infant’s exclusive use.

(2) Cribs and mattresses shall be thoroughly cleaned and sanitized before assignment for use by another child.

(3) When cribs are in use they shall be spaced apart from each other by a minimum of two feet on all sides or 
the cribs shall be separated by a divider and have at least two feet of space on two of the sides or ends of the 
crib. If a divider is used between cribs, the divider shall meet all of the following requirements:

(a) It shall be constructed of material that is constructed so that staff may view children, unbreakable 
under normal use situations and made of a nonporous material that can be easily sanitized.

(b) The divider shall be taller than an infant standing in a crib can reach up and shall not impede child care 
staff member’s ability to hear the child.

Rules are complete and appendices are current through April 30, 2014
Ohio Administrative Code Annotated 5101 Job and Family Services Department 5101:2 Job and Family Services Department--Social Services Division Chapter 5101:2-13. Licensing Type a Family Care Homes

(4) Cribs shall be defined by size as follows:

(a) “Full size crib” has an interior dimension greater than fifty-two and three-eighths inches (plus or minus five-eighth inch) in length and twenty-eight inches (plus or minus five-eighths inch) in width. With the mattress support in its lowest position and the crib side in its highest position, the vertical distance from the upper surface of the mattress support to the upper surface of the crib side or end panel shall not be less than twenty-six inches.

(i) Only children under thirty-five inches tall shall be assigned to use a full size crib.

(ii) Children thirty-five inches tall and over shall be assigned to use a cot unless written authorization is obtained by a physician and updated every six months for the child to remain in the crib.

(b) “Porta crib” has dimensions less than those specified for a full size crib. Only children under thirty inches tall shall be assigned to use a porta crib.

(c) Porta cribs with dimensions less than thirty-six inches in length and twenty-four inches in width shall not be used. With the mattress support in its lowest position and the crib side in its highest position, the vertical distance from the upper surface of the mattress support to the upper surface of the crib side or end panel shall not be less than twenty-two inches.

(5) At all times, except when the caregiver is in the process of placing, removing or soothing the infant, cribs and porta cribs shall be used with the mattress supports in their lowest positions and the crib sides in their highest positions.

(6) An infant sixteen months or older may be assigned to a cot with written parental permission. The crib assigned to the sixteen month old infant may be placed in storage onsite once the child is no longer using it, however, the crib shall not be assigned to another infant until the original child is eighteen months of age or no longer attending the center.

Rules are complete and appendices are current through April 30, 2014
(7) If a crib is considered hazardous for an infant, regardless of age, the infant may be assigned to a cot with written permission from parent or guardian.

(B) Each crib shall be of sturdy construction, with closely spaced bars and with corner posts that do not exceed one sixteenth of an inch above the top of the end panel.

(1) Spaces between the bars of the crib and between the bars and end panels of the crib shall not exceed two and three-eighths inches.

(2) Stacked cribs shall be prohibited.

(C) Each crib shall be safe and meet the following standards.

(1) Cribs purchased or obtained after June 28, 2011 shall meet the United States consumer product safety commission (CPSC) safety standards, 16 CFR parts 1219, 1220 and 1500, that are effective as of June 28, 2011. Cribs purchased or obtained before June 28, 2011 shall meet the June 28, 2011 CPSC safety standards or be replaced by December 28, 2012 with cribs that meet this standard. CPSC safety standards may be found at: http://www.cpsc.gov/info.cribs/index.html.

(2) The space between the mattress and the side or end panels of the crib shall not exceed one and one-half inches.

(3) Each mattress shall be at least one and one half inches thick, be securely covered with a waterproof material which is not dangerous to children and can be thoroughly sanitized and have a properly fitted clean crib sheet.

(4) Bumper pads shall not be used in cribs or porta cribs.

(5) Nothing shall obstruct the staff member’s visibility of an infant and nothing shall be placed in the crib or hung over the side of the crib that obstructs this visibility.

Rules are complete and appendices are current through April 30, 2014.
Ohio Administrative Code Annotated 5101 Job and Family Services Department 5101:2 Job and Family Services Department--Social Services Division Chapter 5101:2-13. Licensing Type a Family Care Homes

(D) Infants shall be cared for in a safe manner.

(1) Infants shall not be placed in the crib with bibs or any other items which could pose a strangulation or suffocation risk. This includes devices designed to maintain sleep positions, unless prescribed in writing by a physician.

(2) Infants shall be placed in their crib for sleeping, and shall not be allowed to sleep in car seats, swings, mesh cribs, playpens, bassinets of any type or other equipment. If a medical condition exists where a child needs to sleep in equipment other than a crib, written permission shall be obtained every six months from a physician and be available on file for review.

(3) Infants shall be placed on their backs to sleep unless the child’s physician provides a written request to do otherwise on the JFS 01235 “Sleep Position Waiver” (rev. 9/2011). These forms shall be kept on file for review by the Ohio department of job and family services.
