The Impact of the Environment on Public Health

This session will begin with a showing of a segment from the video series, “Unnatural Causes: Is Inequality Making Us Sick?” The segment “Place Matters” focuses on the impact neighborhood conditions can have on community members' health, comparing conditions in Richmond, California and High Point, Washington.

Following the video, featured speaker Gretchen Musicant will comment on public health challenges in Minneapolis and talk about approaches the city has adopted to meet those challenges.

Approved for PLP Perspectives credit

Friday, November 7
8:30–10 a.m.
William Mitchell College of Law
Kelley Boardroom

Featured speaker
Gretchen Musicant
Minneapolis Health Commissioner
Minneapolis Department of Health & Family Support

Gretchen Musicant oversees the Minneapolis Department of Health & Family Support. The department’s mission is “to provide leadership in meeting the unique needs of our urban population and to eliminate health disparities by engaging partners in promoting individual, community and environmental health.”
